CATHEDRAL JUST FOR FUN HOCKEY

Just For Fun Hockey is being piloted by Cathedral Area Community Association this fall and winter to accommodate community youth who want to play hockey just for the sheer fun of it. The program will run from mid-October to mid-March for players age 8-18 years of age. Once per week youth can play for fun regardless of hockey experience or skill level. This is a no contact, “everyone plays” program targeted to non-competitive athletes who want to play occasionally for fun, and who may have limited experience in the sport. All genders and abilities are welcomed, although organizers strongly recommend participants should be able to stand and move on skates (this is not a learn to skate program). Unlike most hockey programs, there won’t be regular teams. We’ll “throw sticks” and scrimmage each week to keep the level of play fair and fun. The program will run every Saturday morning at Optimist Arena from October 19 to March 14 with the exception of December 21 and 28.

REGISTRATION PROCESS:

Registration for CJFFH opens September 10, 2019 from 7 to 8pm at the Cathedral Neighbourhood Centre. If you are unable to attend registration night you may sign up by contacting Cathedral Community Association (contact info below) AFTER September 10.

Space in Just for Fun Hockey is limited and applicants will be processed on a first come/served basis with priority given to Cathedral area residents. If minimum enrollment is not reached, Cathedral Area Community Association reserves the right to cancel the program. Space is limited and applications may be declined if the program is full. Please apply in person on registration night to avoid disappointment!!

As a community association program, those participating are asked to have a valid community association membership from Cathedral Area or another Regina community association. If you don’t have a community association, or your community association doesn’t sell memberships, Cathedral Area Community Association memberships are available for \$5 per family for 12 consecutive months.

Program fees are \$225/player (includes GST). Players will receive one black and one white “keeper jersey” for this fee but must supply all other equipment (full equipment is required). Cathedral Area Community Association is currently only able to accept payment by cash or cheque.
